

Stained Glass Association of America

Maintenance of Accreditation Display Boards

The rules for display boards:

- Overall display board size is 30" x 20" – either orientation – this is a standard size for both matte board and foam core board. **USE ONLY ONE BOARD.** Do not use tri-folds. Displays larger than one board may be rejected.
- Any size/number of photos allowed on a board, more than one project is encouraged.
- Board must be identified with member name and include brief captions for photos, or description of overall project(s), at least one detail photo is required. If the work shown is a restoration project, the name of the original studio must be included in the caption. If the original studio name is not known, it must be noted that it is a restoration project.
- Work being shown must have been completed within the last three (3) years.
- Please attach support **ON BACK** of the board or tripod to allow for standing upright on a table. **DO NOT USE TRI-FOLDS!**
- Our current facility is not large enough to store boards. Please make arrangements for your board to be returned to you. ***The SGAA is not responsible for these arrangements. If arrangements are not made, the boards will be properly disposed of.***

If you have any questions concerning SGAA Display Boards, please call the SGAA Headquarters at 800.438.9581.
